## Alexander's Story

Alexander Devine Children's Hospice Service has been set up in memory of our amazing son Alexander.

Alexander was diagnosed with a rare brain tumour in November 2001 at the tender age of just four years. He endured operations, treatments and chemotherapy in his four year fight against cancer, with exceptional courage and bravery, with great dignity and without complaint.

In honour of his outstanding courage and strength we have formed Alexander Devine Children's Hospice Service to support children and their families with life limiting illnesses.

The long term aim for Alexander's Trust, is to build, fund and run 'Alexander House', a Children's Hospice in the Berkshire area providing much needed respite care, support for families, an outreach team, and specialised palliative care.

Thank you for your help.

*John & Fiona Devine*

## How You Can Help

You can help us build a children's hospice in Berkshire by supporting our exciting Lottery scheme.

By participating in the Alexander Devine Children's Hospice Service Lottery you will be helping to provide an important and regular income. Our objective is to build a children's hospice with the added service of an outreach team in the county of Berkshire. This will mean children with life-limiting conditions from Berkshire and surrounding counties and their families, will also have the opportunity to access resources which best meet their needs.

Sadly, more than 330 families in Berkshire have a child with life-limiting conditions. With your help and support we can help these special children and their families cherish every moment. We will offer a home from home environment for the whole family; providing respite and the opportunity for quality time together. The level of care will range from children's palliative care, specialist respite care, terminal and 24 hour emergency care, to 24 hour support and advice and bereavement counselling for the families.

## How it Works

Each opportunity to win costs just £1 and there is no limit on the number of chances you can have! When you join you will be allocated a unique number which will be sent to you in the post. This number remains yours for as long as you wish. Every Wednesday the lucky winners will be selected at random by our Lottery computer.
