

TURN AROUND AT HOME

Turnaround@HOME CAMPAIGN

OVERVIEW: The Turnaround At Home Campaign is designed to encourage parents to give a better spiritual legacy than what they have received.

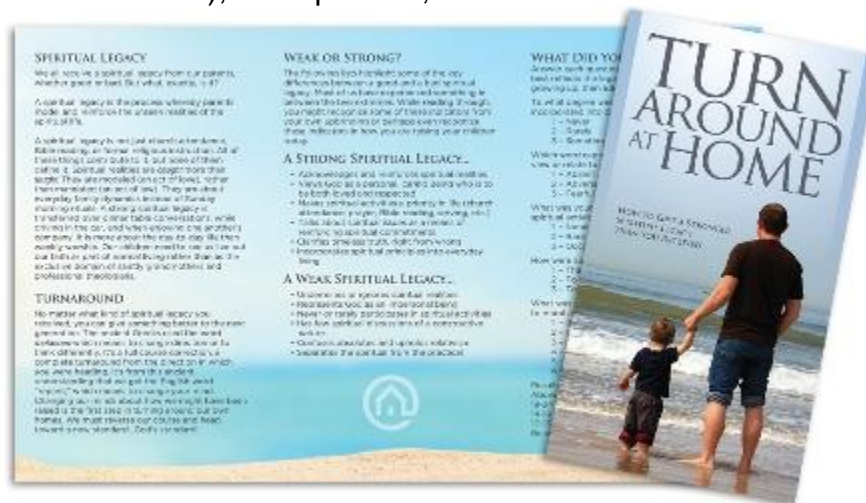

WAYS TO LAUNCH: We handed out the brochures at the door, one to each person. Our @Home Pastor gave announcements on this day were about 8 minutes long with a short video by Pastor Jack and Lisa Hibbs as well as the resources that are available for this campaign. To see these announcements, click here: <https://vimeo.com/78860609> Pastor Jack delivered a special message about the book and about how important it is to leave a better spiritual legacy than what you have received. If you would like to view this message, go to this link http://www.calvarycch.org/media_center.php?vimeo=1&p=JHX&s=351 We also had podcasts available in the room entitled "Family Nights" and "Hand Me Downs." We received these podcasts from Drive Faith Home and made copies to hand out for free. We also made a large banner and put it in our courtyard.

FEATURED RESOURCES: Consider making these resources available in your @Home Room as part of this campaign:

The Love Journal

Keeping the Love Alive in Your Marriage

The Love Journal is a great way to open up sharing with one another since it is often easier to express feelings and appreciation in writing than it is face to face.

Best Use

Use for a keepsake journal. Dedicate the first page of your journal by writing words of love, encouragement, and blessings. *This is not a place to write negative or critical comments.* Make sure to write the date of when you write your love notes so that you can look back and see the special things that you have written each other over the years. You might also include some of the fun things you have done together.

Advance Preparation

Purchase a journal or notebook that is nice, a little above the school room version, so as to keep it special. Designate a location where you will pass the journal back and forth such as a favorite chair or each other's pillows. Take turns periodically passing the journal back and forth. You may want to mark your calendar on specific days or once a month to be sure that you take the time to write a love note to your spouse.
