Continuing with OGP's tradition of making new sets based on existing things in game...
Hell Set Set, pic is just a general idea, OGP can make it look more like Hell Boss.
Coupon should come with either full set or 3 pieces.
Set2: 25% Target Defense Decrease and 50% idr
(I figure if Dragon Poe can add 25% def and other FS stuff can add 3.8k hp we need
some kinda counter FS set with 25% TDD)
Other set bonuses: up to OGP, maybe more IDR and max damage if full set?

SPECIAL GM UNIT

In the Latale justice system, saitei based offenses are considered especially heinous. In Jiendia, the dedicated detectives who investigate these vicious felonies are members of an elite squad known as the special GM Unit. These are their stories.

Saitei: Hi, I won the 170-180 guide contest for any astro fashion set, can I have your hat?

GM: NO.

Saitei: Can I have a Coliseum's Desire Coupon because it was in the set of items obtainable from an old astro gamble item that was available in the fashion shop?

GM: NO.

Saitei: Can I have a Ultimate Cloak for my prize because it's a fashion item that comes free during the purchase of 50 dollars of Ultimate Game Card Astros Event then?

GM: NO.

Saitei: Can I have a permanent Critical Ring for the prize since the temporary one is available in the Fashion Shop and I saw a GM wearing the existing permanent version then?

GM: NO.

The 617 Astro New Beginnings Package Set?

GM: NO.

GM: Hello, support? I've apparently angered Saitei. He's holding me hostage and he's taken my hat. He says he won't release me until his demands are met. Help! He does THINGS!

GM2: Maam, the suspect wants us to fix TDD magazine for PVE, fix duelist PVP cooldowns or cooldown display, change excessively low valhalla drop rates for the urns and phoenix tail to reasonable ones, and he's tired of us never picking his comic comedy contest entries.
 Head GM: Yeah we sort of dropped the ball with PVE TDD Mag and cooldowns, those have been broken for like 8 months now.
 Calm down, it's going to be okay, we have a protocol for this.
 Hand me the phone.

Note: They fixed PVE TDD magazine 8/18/2011, this comic was made and takes place 8/17/2011 or earlier.

ThePoem: GM, why do comics less funny than Saitei's win in the comic comedy contest?

GM: I know, but our current rules forbid sprite comics from winning vs drawn.

Saitei: Poem, draw this after you respawn.

Saitei: GM why haven't any of my past entries won?

GM: One simple technicality, we don't let sprite comics win at the moment.

Saitei: Well you also ignored one simple technicality.

GM: What's that?

Deader Poem Set!

:D

Saitei: So Poem did that company that wanted me to provide references call you up?

ThePoem: Yep. They didn't ask anything technical. Just questions about your personality.

Saitei: Ah crap. Did you lie?

Saitei: Whew.

ThePoem: You know it!

"Sacrificing an agent without his knowledge can turn the battle in your favor. - Art of War Movie or the book?

"To deceive your enemies you first have to deceive your ally." - Sun Tzu or Nancy Makuhari

I once met someone in one of the worst places possible. Even though we met there, we were happy for a short period of time.

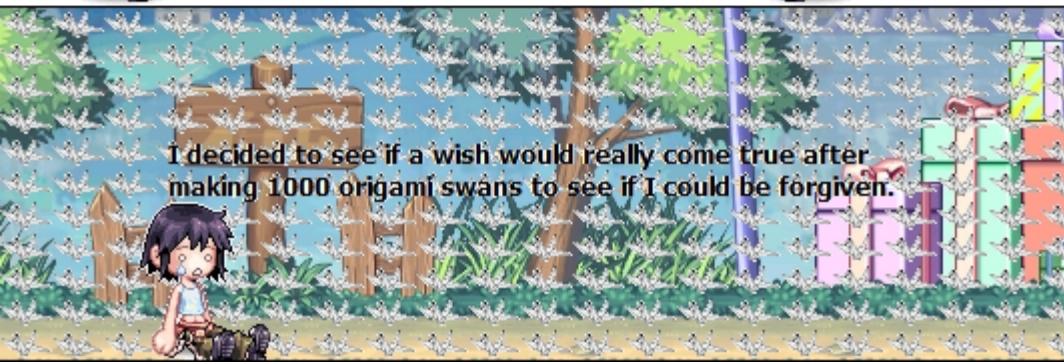

We met again three years later.

Someone never saw past where we met, secretly convinced her to remove me from her life, and she did. I confronted the person and made a mistake.

I decided to see if a wish would really come true after making 1000 origami swans to see if I could be forgiven.

I think I stopped because I realized forgiveness is not something that should be granted by a wish.

* Six years later, I found how to answer to her and she forgave me.

You were born 4 years too late and the wrong color.

SpriteRemix: ...this is the best children's storybook ever.

SpriteRemix: So what made you decide to release your dark mysterious Batman-like past upon the world that is pretty much the LaTale community and me?

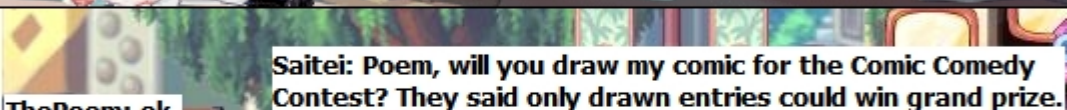

Saitei: WHERE IS THE JOKER?! >:/

Saitei: ... it's just... it's been so hard after I lost Rachel... ｡_｡

Villanelle: How did you get in here? I'm not even a psychologist! >:|

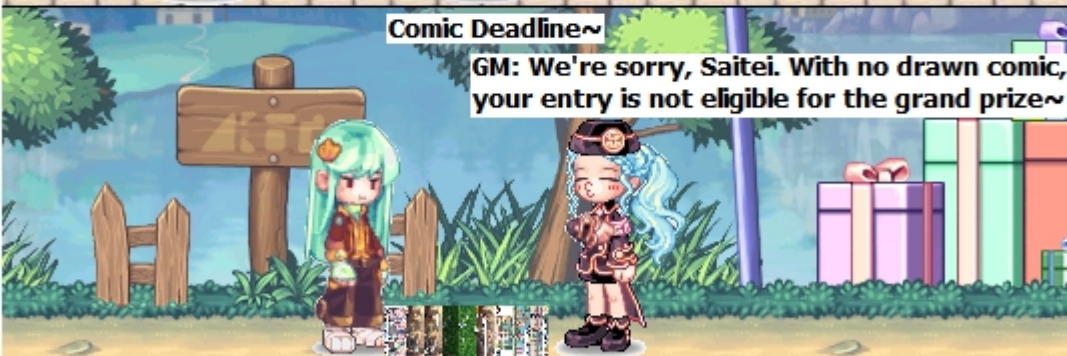

Saitei: Poem, will you draw my comic for the Comic Comedy Contest? They said only drawn entries could win grand prize.

ThePoem: ok.

Comic Deadline~

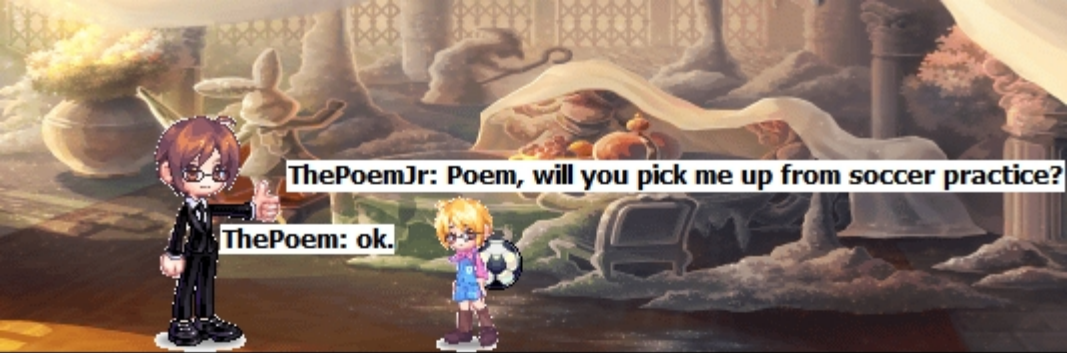

GM: We're sorry, Saitei. With no drawn comic, your entry is not eligible for the grand prize~
